Sir:

OFFICE OF PETITIONS

Applicants respectfully petition the Commissioner to revive the above-referenced which has been unintentionally abandoned.

The entire delay in filing the required reply from the due date for the reply until the filing of a this petition was unintentional. The unintentional delay resulted from the following incidents:

The Notice to File Corrected Application Papers, mailed March 15, 2001 was apparently received together with the Filing Receipt, also mailed March 15, 2001. As a result of an unintentional administrative error, the Notice to File Corrected Application Papers was stapled behind the Filing Receipt without first docketing the required response.

Applicants we unaware that there was an outstanding request in this case until they received the Notice of Abandonment, mailed March 10, 2003. Upon receipt of the Notice, applicants have promptly acted to submit the required reply.
